bay for some time, and only surrendered when his summittion was exhausted. For his bravery in this affire he was promoted to be Sergesnit, but only returned to the Union lines to assume the tillie uries a five months imprisonment at Andersouville. Welle there he frequently held prayer meetings, and exhorted his dying companions, being an active and sincers member of the Atterney street. P. M. Church of New York city. He only lately rejeased his regiment, and had sourcely recovered from a chronic duarchea and scurry contracted at the South, when he was appointed one of twanty-cipht tried, men to perform the duty he so successfully accomplished. His lace is intelligent, and bears the impress of a high-towed Christian patriothm."

The support accorded to President Johnsonschinasian by the Democratic press, from wastever motive, is a gravilying fact. Certomy the new President should not be considerated without a trial. It is remarkable, however, that not a few of the Democratic press, from wastever motive, is a gravilying fact. Certomy the new President should not be considered without a trial. It is remarkable, however, that not a few of the Democratic press, from wastever motive, is a gravilying fact. Certomy the new President should not be considered without a trial. It is remarkable, however, that not a few of the Democratic press, from wastever motive, is a gravilying fact. Certomy the new President should not be considered without a trial. It is remarkable, however, that not a few of the Democratic press, from wastever motive, is a gravilying fact. Certomy the new President should not be considered without a trial. It is remarkable, however, that not a few of the Democratic press. The first pressident of the same type. Secretary characteristic pressions of the character can be derived also from other sources. Ben). F. Butter was a Democrat of the same type. Secretary characteristic pressions of the character can be derived with the pression of cathedral proport of the same type. Secretary characteristics, lac pithhed. His line is intelligent, and bears the impress of a high-toned Christian patrioghm.

Egran The support accorded to President Johnsonshandar by the Democratic press, from whatevar moditive, is a grantifying fact. Certsiniy the new President should not be condemned without a trial. It is remarkable, however, that not a faw of the Democratic papers bease their support of him upon the fact that he was used a found not not recorded. Bein, P. Butler was a Democration of the same type. Secretary Stantin was also a Democrat. Press ton King, Judge Trumbull, Joseph Hott, J. R. Pooliitie were all Democrate of the Analy Johnson school. So was Lieut Gen. Grant, Phil. Elections, Jack Loyau and John M. Palmer—all new good Republicants. It can do no honor to any Democratic paper to base it supports of President Johnson on the abserd supports of President Johnson to the convictions of right and day. Here is the position in regard to replets and trainers as laid down in the response to the Indiana delegation. We hope the Democratic pass derives as much constitute from its seeds. The Received as much constitute

and throwing aside the disguises under which, they hid their true sentiments, begin again to talk is of yore, and to utter sentiments that have been unknown in Western Kentusky, for the past twelve mouths. Kentusky "loypity," as a general thing, "will not do

hard blows, and perhaps a little "Judicious hanging," to bring the people to a true sense of their duties. This State only needed the opportunity, in 1861, to become one of the strongest foet of the Union;—and fear and interest, and Xaskee hayonets, kept her from joining the Confederacy. As you will know, my continued residence in this State and business operations have combled me to become fully conversant with the Smilings of the people in Western Kentucky. Until within a few weeks! was persuaded that a radical change had come over our citizens, and that their probasions of devotion to the Union were success and heartfelt; but, sailly have I beed deceived. of devotion to the Union were sincere and hearifelt; but saily have I been decoived, and I fear that Lucien Anderson's seat in the next Congress will be filled by a concerned rebel, or, even worse, a copperhead apostate from the Union ranks. If the Fresident shall determine the extent rebels no more element, all may yet be well; or if Gen. Soi. More-dith can be persuaded to said in the casavas, the district may possibly be saved; but unless we have one or both those, or some other remarkable. "dispensation of Providence,"

and very fil-timed; especially to be niter in a semi-rebel community. When Gener Meredith received the news of the assussi-tion he was nearly overwhelmed with em-tion—he stad. Mr. Lincoln had been for you want perpendictions.

party. Every day from five to twenty robel deserters come in and take the cath. At this rale Lycu will, it a few weeks, be left without any command, and the leat vertim of the robel army in this wishilly be destroyed.

supposed to number somewhere between thirty and fifty thousand men of all arms. The Davis party spake openly of their trains of making for the Trans-Massiagr and compared confidence that they could be trained to the country of the trans-Massiagr and compared confidence that they could be trained to the country of the country of the trained to the country of the co

prisoners, three of them wounded, she titled five rebels. The McDound gang of generitias was encountered and charged upon scatter-ing them is every direction. Several wound-of rebels were ground in different farm houses, all of whom gave bonds for their appearance in this city when able to travel. The rebel solliers were all supplied with rew uniforms and farmished with side arms. Col. Haw-king, who commanded the expedition, I am told, did not lose a man. USEDN.
